## 1. Peterborough Diocese Education Trust's Written Statement of Behaviour Principles

**Peterborough Diocese Education Trust's (the Trust) vision is 'Working together for all pupils to realise their God given potential to flourish.' In order to flourish, children need an environment that encourages and reinforces good behaviour:**

**'start children off on the way they should go and when they are old they will not turn from it.'**

### **Proverbs 22:6**

The Trust wants children to live happy and fulfilled lives and to be active learners and active citizens. To enable children to do this, the Trust believes children need to have self-respect and high self-esteem and a sense of individual and collective responsibility. As a Trust, we believe all humans are created in the image of God and therefore have equal rights and responsibilities. Children should be taught explicitly about these rights and responsibilities as a source of empowerment, entitlement and responsibility. In addition, we believe children should be taught how to live by Christian values and principles and how to put them into practice.

Underpinned by our Christian values, we are, therefore, committed to ensuring:

- Our pupils understand how they should treat other people and how they should expect to be treated.
- Every pupil understands they have the right to feel safe, valued and respected and learn free from the disruption of others.
- Our pupils take on moral responsibilities; care for each other; demonstrate good manners; show consideration; be trustworthy young people who show respect and love for each other and take responsibility for their actions.
- Our pupils develop positive attitudes to learning which includes developing a commitment to learning, resilience and taking pride in achievements.
- We teach good behaviour.
- All staff and volunteers demonstrate our values in everything they do, set an excellent example to pupils at all times and have positive relationships with pupils.
- All staff have high expectations for behaviour.
- All pupils, staff and visitors are non-discriminatory.
- Rewards, sanctions and, if necessary positive handling, are used effectively and consistently by staff, in line with this behaviour policy.
- A collective understanding (pupils, parents and staff) of this behaviour policy.
- Involvement of families in behaviour incidents, where appropriate, to foster good relationships between the academy and a pupil's home life.
- Exclusions are only used as a last resort. Our exclusions policy outlines the processes involved in fixed term and permanent exclusions.

The Trust emphasises that we do not expect violence or threatening behaviour in our academies and this will not be tolerated.

This written statement of behaviour principles is reviewed and approved by the Trust every year.

## 2. Aims

This policy sets out the Trust's expectations in relation to behaviour in line with the overarching principles above. The individual academy's approach to behaviour is set out in *Appendix 1*. The policy aims to ensure academies across the Trust:

- Create a calm and orderly environment that encourages and reinforces good behaviour.
- Set clear routines and expectations for the behaviour of pupils across all aspects of academy life, not just in the classroom.
- Have a positive and respectful academy culture which promotes self-esteem, self-discipline and positive relationships between all members of the academy community and where pupils feel safe and can learn.
- Teach good behaviour.
- Define acceptable standards of behaviour.
- Provide a consistent approach to both good and unacceptable behaviour.
- Outline an academy's system of rewards and sanctions that are applied consistently and fairly by all staff.
- Define what is considered to be unacceptable behaviour, including bullying, peer-on-peer abuse (online and off line) and discriminatory behaviour and ensure such behaviour is dealt with quickly, consistently and effectively.
- Provide clarity regarding the roles and responsibilities of different people in the academy community with regards to behaviour.
- Encourage the involvement of the whole academy community in the implementation of this policy.

### **3. Legislation and statutory requirements**

This policy is based on the following relevant legislation and advice from the Department for Education (DfE):

- Behaviour and discipline in schools
- The Equality Act 2010
- Use of reasonable force in schools
- Supporting pupils with medical conditions at school
- Special educational needs and disability (SEND) code of practice
- Schedule 1 of the Education (Independent School Standards) Regulations 2014; (paragraph 7 outlines a school's duty to safeguard and promote the welfare of children, paragraph 9 requires the school to have a written behaviour policy and paragraph 10 requires the school to have an anti-bullying strategy)
- DfE guidance explaining that academies should publish their behaviour policy and anti-bullying strategy online.

This policy complies with the Trust's funding agreement and articles of association.

### **4. The Teaching and Encouragement of Good Behaviour**

We believe that positive, good behaviour needs to be taught. First and foremost, good behaviour will be explicitly modelled by all adults to pupils from the first day of entering the academy and consistently reinforced and developed throughout their primary years.

Behaviour expectations will be made explicit at all times. Strategies for encouraging good choices of behaviour are fundamental, as is a consistent approach across the academy:

#### **4.1 Rewards, incentives and sanctions**

It is important that pupils are not patronised by providing rewards and incentives that are neither necessary nor wanted. However, rewards and incentives have a powerful motivational role, particularly for pupils whose self-discipline is at an early stage, and help pupils to see that good behaviour is valued.

The most common reward is praise, informal and formal, public and private, to individuals and groups. It is earned by the maintenance of good standards as well as by particularly noteworthy achievements. This is as true for adults as for children. Rates of praise for behaviour should be as high as for work.

Although rewards are central to the encouragement of good behaviour, realistically there is a need for sanctions or consequences to register the disapproval of unacceptable behaviour. Most instances of poor choices of behaviour are relatively minor / low level and can be adequately dealt with through minor sanctions. It is important that the sanction is not out of proportion to the poor choice of behaviour / frequency of poor choice.

For details of Ryhall CE Academy's rewards and sanctions – see *Appendix 1*.

In addition, behaviour will be taught through the provision of the following:

#### **4.2 High Quality Curriculum and Learning:**

We believe that an appropriately structured curriculum and effective learning are needed for good behaviour as they help to avoid the alienation or disaffection which can lie at the root of poor choices of behaviour. These should be achieved through:

- Planning for the needs of individual pupils.
- Lessons with clear objectives and success steps understood by the pupils.
- The active involvement of pupils in their own learning.
- Teaching methods which encourage enthusiasm and active participation for all. Lessons should aim to develop the knowledge and understanding which will enable pupils to work and play in collaboration with others.
- Structured feedback that will be used as a supportive activity, providing feedback to the pupils on their progress and achievements and as a signal that the pupil's efforts are valued and that progress matters.

#### **4.3 Effective Classroom Management**

This should be achieved through:

- A classroom which provides a welcoming environment.
- A classroom environment which gives clear messages to the pupils about the extent to which they and their efforts are valued.
- Good relationships between teacher, support staff and pupils.
- Classrooms organised to develop independence and personal initiative. Pupils should have increasing opportunities to take responsibility for tasks and roles in the classroom and around the academy as they get older.
- Arrangements of furniture and access to resources as all have a bearing on the way pupils behave. Furniture should therefore be arranged to provide an environment conducive to on-task behaviour. Materials and resources should be arranged to aid accessibility and reduce uncertainty and disruption.
- Classroom displays which help develop self-esteem through demonstrating the value of every individual's contribution.

#### **4.4 Good Behaviour at Unstructured Times**

Playtimes and lunchtimes are the most unstructured part of the academy day. By talking and playing with others, and participating in extra-curricular activities, pupil's social development is greatly enhanced. It is a time, too, when individuals who are less successful in forming constructive relationships with others can create difficulties for both themselves and others.

Good behaviour at unstructured times should be achieved through:

- Good relationships between teacher, support staff and pupils.
- Clear routines that are understood by all.
- Explicit expectations regarding what is acceptable and unacceptable behaviour.
- The provision of structured tasks to engage the pupils.

For details of Ryhall CE Academy's strategies for encouraging good behaviour during unstructured times – see *Appendix 1*.

#### **4.5 Good Behaviour Off-site**

Sanctions may be applied where a pupil has behaved in an unacceptable way off-site when representing the academy, such as on an academy trip or on the way to or from the academy.

### **5. Unacceptable / Serious Unacceptable Behaviour**

#### **5.1 Definitions**

**Unacceptable behaviour** is defined as:

- Non-compliant behaviour (to adult requests);
- Low level disruption in lessons and at unstructured times;
- Non-completion of classwork;
- Rudeness to adults and other pupils;

- Poor language.

**Serious unacceptable behaviour** is defined as, but not limited to:

- Persistent non-compliant behaviour (to adult requests);
- High level disruption in lessons and at unstructured times;
- Repeated breach of the academy rules;
- Threatening and / or intimidating behaviour;
- Verbal aggression;
- Swearing;
- Any form of bullying;
- Racist, sexist, homophobic or discriminatory behaviour;
- Sexual assault, which is any unwanted sexual behaviour that causes humiliation, pain, fear or intimidation;
- Sexting;
- Physical aggression and / or violence;
- Vandalism;
- Theft;
- Smoking;
- Possession of any prohibited items. These are:
  - Knives or weapons;
  - Alcohol;
  - Illegal drugs;
  - Stolen items;
  - Tobacco and cigarette papers;
  - Fireworks;
  - Pornographic images.
- Having any article a staff member reasonably suspects has been, or is likely to be, used to commit an offence, or to cause personal injury to, or damage to the property of, any person (including the pupil).

## **5.2 Incidents of Unacceptable Behaviour**

### **5.2.1 Bullying**

Bullying is defined as:

“Bullying behaviour involves an imbalance of power where a person or group of people repeatedly and intentionally cause emotional or physical harm to another person or group of people. Isolated instances of hurtful behaviour, teasing or arguments between individuals of equal power should not be seen as bullying.”

(Torfaen definition 2008)

Bullying is, therefore:

- Deliberately hurtful;
- Repeated, often over a period of time;
- Difficult to defend against;
- Premeditated and usually forms a pattern of behaviour rather than an isolated incident;

- Involves dominance of one pupil by another, or group of others.

Bullying can include:

Type of bullying	Definition
Emotional	Being unfriendly, excluding, tormenting, ridiculing
Physical	Hitting, kicking, pushing, taking another's belongings, any use of violence
Psychological	Deliberate acts which cause fear or anxiety
Racial	Racial taunts, graffiti, gestures
Homophobic	Because of, or focussing on, the issue of sexuality
Sexual	Explicit sexual remarks, display of sexual material, sexual gestures, unwanted physical attention, comments about sexual reputation or performance, or inappropriate touching
Religious	Related to religious beliefs and practices
Cultural	Related to cultural beliefs and practices
Direct or indirect verbal	Name-calling, sarcasm, spreading rumours, teasing
Cyber-bullying	Bullying that takes place online, such as through social networking sites, messaging apps or gaming sites

We recognise as a Trust that:

- Bullying can occur. However, our intention is to ensure pupils learn in a supportive, caring and safe environment without the fear of being bullied and that staff are free from the fear of being bullied by pupils.
- Everyone has the right to feel welcome, secure and happy.
- Bullying of any sort prevents equality of opportunity.
- All forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing.
- By effectively preventing and tackling bullying, the Trust can help to create a safe and disciplined environment where pupils are able to learn and to fulfil their potential.

Where bullying exists the victims must feel confident to activate the anti-bullying systems within the academy to end the bullying. It is the Trust's aim to challenge attitudes about bullying behaviour, increase understanding for bullied pupils and help build an anti-bullying ethos across the Trust.

Details of an individual academy's approach to preventing and addressing bullying are set out in [Appendix 1 / Anti-Bullying Policy](#).

### **5.2.2 Prohibited / Unacceptable Items Brought on Site**

Any prohibited items (listed in Section 6.1) found in a pupil's possession will be confiscated. These items will not be returned to pupils.

Any item which is harmful or detrimental to academy discipline will also be confiscated. These items will be returned to pupils / parents after discussion with senior leaders and parents, if appropriate.

### **5.2.3 Malicious Allegations**

Where a pupil makes an accusation against a member of staff and that accusation is shown to have been malicious, the Headteacher will discipline the pupil.

Please refer to the Trust's [Child Protection and Safeguarding Policy](#) for the Trust's policy / statement of procedures for dealing with allegations of abuse against staff or for more information on responding to allegations of abuse.

The Headteacher will also consider the pastoral needs of staff accused of misconduct.

## **6. Communication and Parental Partnership**

We give high priority to clear communication within each academy and to a positive partnership with parents / carers since these are crucial in promoting and maintaining high standards of behaviour. It is important that parents and academies work together for the good of each child. Parents are involved in celebrating the successes as well as being involved when a child's behaviour is unacceptable.

A positive partnership with parents is crucial to building trust and developing a common approach to behaviour expectations and strategies for dealing with problems. Parental participation in many aspects of academy life is encouraged. This participation assists the development of positive relationships in which parents are more likely to be responsive if academies require their support in dealing with difficult issue of unacceptable behaviour.

Academies will communicate policy and expectations to parents. Where behaviour is causing concern parents will be informed at an early stage, and given an opportunity to discuss the situation. Parental support will be sought in devising a plan of action.

## **7. Pupil Support**

The Trust recognises its legal duty under the Equality Act 2010 to prevent pupils with a protected characteristic from being at a disadvantage. Consequently, our academies' approach to unacceptable behaviour may be differentiated to cater to the needs of the pupil.

Where the behaviour of a child is giving cause for concern it is important that all those working with the child in the academy are aware of those concerns, and of the steps which are being taken in response. The key professional in this process of communication is the class teacher who has the initial responsibility for the child's welfare. Early warning of concerns should be communicated to the Headteacher / SENCo so that strategies can be discussed and agreed before more formal steps are required.

The individual academy's SENCo will evaluate a pupil who exhibits unacceptable behaviour to determine whether they have any underlying needs that are not currently being met. Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and / or others, to identify or support specific needs. When high / complex needs are identified in a pupil, the academy will liaise with external agencies and plan support programmes for that child. They will work with parents to create the plan and review it on a regular basis.

## **8. Positive Handling**

In some circumstances, it may be necessary for staff to use reasonable force to positively handle a pupil to prevent them being a risk to their own or others' safety.

Incidents of positive handling must:

- Always be used as a last resort;
- Be applied using the minimum amount of force and for the minimum amount of time possible;
- Be used in a way that maintains the safety and dignity of all concerned;
- Never be used as a form of punishment;
- Be recorded and reported to parents.

Positive handling should only be undertaken by staff who have been appropriately trained. All incidents involving positive handling are recorded for safeguarding purposes in MyConcern.

## **9. Alternative Provision**

Some pupils with high and complex needs, relating to behaviour, will access alternative provision if this is deemed appropriate to meet such needs. This will take place following necessary support and advice from a range of professionals and in consultation with parents. If alternative provision is accessed by a child, academies will ensure that this provision is suitable and safe and whether the alternative provision is a registered provider. Where an academy is using an unregistered provider, the academy must have an adequate quality assurance process in place. Academies will continue to take responsibility for pupils who access alternative provision.

## 10. Pupil Transition

To ensure a smooth transition to the next year, pupils have transition sessions with their new teacher(s). In addition, staff members hold transition meetings.

To ensure behaviour is continually monitored and the right support is in place, information related to pupil behaviour issues may be transferred to relevant staff at the start of the term or year. Information on behaviour issues may also be shared with new settings for those pupils transferring to other academies / schools.

### Individual Academy Information

**Name of Academy: Ryhall CE Academy**

#### Vision and Values

Ryhall CE Academy will provide the best learning environment that embraces excellence and academic rigour. Set within a framework of spiritual, intellectual, physical, emotional, moral, social and cultural development, we aim to:

- ignite a passion for life-long learning;
- develop great thinkers who embrace challenge;
- promote curiosity, enthusiasm, independence, self-belief and confidence.

inspiring and preparing every child to live 'life in all its fullness'.

*'I have come in order that you might have life—life in all its fullness'*

*(John 10:10 Good News Translation)*

Our strong Christian ethos encourages:

**compassion,  
friendship,  
hope,  
trust  
respect  
and resilience**

and we believe these values should underpin everything we do, both during and beyond the school day, including the decisions that we make. These, together with the value of resilience, provide a strong sense of perseverance and lifelong learning, honesty, mutual respect, happiness, enjoyment and high standards. Whilst they are a visible presence around the school, our values are far more; all members of the school are actively encouraged to live them out every day. Our 'strapline'

**'look back with pride and move forward with confidence';**

encourages children to face their fears, demonstrate endurance, believe in their ability and value all that is strong and good about themselves.

#### The Teaching and Encouragement of Good Behaviour

At Ryhall CE Academy we want every member of the school community to feel valued and respected and for each person to be treated with compassion, justice and respect so that they feel emotionally safe and secure. We also aim to develop in pupils an acceptance and recognition of responsibility, enabling them to think about their own decisions and actions as well as subsequent consequences. The school behaviour procedures are designed to support all members of the school living and working together in a supportive and collaborative environment. The procedures are not designed to be a system of enforcing rules but a means of promoting respect and good relationships so that '**Living Out Values Each day**' (**LOVE**) can be at the heart of everything that we do.

### **The explicit teaching of good behaviour:**

- Children are greeted into classes every morning and afternoon by an adult
- Clear and consistent routines help children feel safe and aid them in meeting expectations
- School rules are kept simple – Be Ready; Be Respectful; Be Safe – and are clearly displayed and regularly referred to by all adults
- Expectations are agreed, taught and revisited regularly with children
- Time and energy is given to building positive relationships with children and between children
- Patience, resilience and kindness are modelled by adults
- Exceptional behaviour and behaviour where values are modelled is celebrated publicly
- Adults use scripted language that recognises the child's emotion (if appropriate) when dealing with undesired behaviours. E.g. "I can see you are angry/upset/frustrated" or "I can see you are struggling to follow our school rule of being ready/respectful/safe" followed by "I've seen you make the right choices before so now you need to ... thank you."

### **Rewards & Incentives:**

In each classroom a 'Dojometer' (a rainbow of 5 colours) is displayed. All children begin each day in the middle of the rainbow (on green) with an expectation of demonstrating that they are 'ready to learn'. Where children show behaviours which are consistently above those expected, they may be moved on to the levels above and rewarded with Dojo Points (Class Dojo).

Positive behaviour may also be rewarded with:

- Praise – identifying the positive behaviour
- Stickers
- Email, Dojo message or phone calls home to parents
- Special responsibilities / privileges

Where children show our school values in their behaviours, they may also be awarded a 'Values certificate'.

Each week, teachers are encouraged to award one child as 'Star of the Week' with a certificate and recognition in our school newsletter. A child may be awarded 'Star of the Week' for behaviour, effort or outstanding work.

If a child completes a piece of work, or demonstrates significant progress through effort, they may be awarded a Silver (5) or Gold (10) certificate together with the number of points shown in brackets.

### **Sanctions:**

Ryhall CE Academy may use one or more of the following sanctions in response to unacceptable behaviour:

- Children will be given reminders and prompts to assist them in meeting the school's expectations for good behaviour. If behaviours continue, a verbal warning will be given, followed by missed break time if not corrected – they will be moved on the Dojometer to 'orange' (before green – ready to learn). Children have the opportunity to return to green by demonstrating the expected behaviours.
- Where an adult needs to speak with a child about their behaviour, they will ensure it focuses on the behaviour and not the child.
- If a negative behaviour persists then a child may be moved within the classroom to learn away from peers, or may be asked to leave the classroom and go to another classroom for a period of time. Children will not be made to stand outside of classrooms out of sight of an adult. The child would be placed on 'red' on the Dojometer and would miss longer periods of social time (ideally on the same day). Once the expected behaviours are demonstrated, the child may be moved back towards, or on green. However, where a child is placed on red for any period of time, a parent will be notified at the end of the same day – either face-to-face or via telephone where this is not possible. 'Red' behaviours will be recorded on 'MyConcern'.
- The child may be given extra or alternative tasks as a diffusing strategy.
- For more serious behaviours or repetitions of behaviours a child may be required to see the Headteacher or Assistant Headteacher.
- For serious misdemeanours or repeated unexpected behaviours, the Headteacher or Assistant Headteacher will contact parents by phone and may request a meeting to discuss possible actions to help a child get back on track and improve their behaviour. A behaviour contract may be put in place where there is a persistent failure to follow school rules.
- The following will always be referred to the Headteacher:
  - Bullying
  - Racist/Homophobic behaviours/actions/words
  - Repeated violence (any violence will be recorded as 'red')
  - Fighting
  - Inappropriate Language
  - Damage to property
  - Theft
  - Threatening behaviour
  - Disrespectful behaviour toward an adult
- Where appropriate, children may also be asked to write an apology letter.

To help children understand where behaviours are particularly negative, a serious breach or repeatedly displaying behaviours which demonstrate that they are not 'ready to learn', time will be taken for a restorative conversation using the following prompts to guide:

- What happened?
- What were you thinking at the time?
- What have you thought about since?
- Who was affected by your actions? How?
- What could you have done differently?
- How can you put things right?

If necessary, conversations with the person who was affected may also be appropriate to help encourage responsibility, repair relationships and re-integrate the

child. Timing will be key to ensuring this is a positive activity with a good outcome for all involved.

**Exclusions:**

An internal, fixed term or possibly even a permanent exclusion will either be used after all other sanctions have been exhausted and where there is no improvement shown. These may also be used for one-off serious breaches (see exclusions policy).

**Encouraging good behaviour during unstructured times:**

- All adults use a consistent approach referring to the three school rules to give both praise and to correct, clearly identifying the behaviour e.g. "well done/thank you for being safe/respecting x/being ready"
- All adults, including lunchtime supervisor and assistants, office staff and cleaners, can reward children for safe and positive play with Dojo Points (see above)
- Supervision during unstructured times is kept to an appropriate adult to pupil ratio so that all areas are adequately supervised and children can easily find an adult for help if needed
- Adults supervising outside, can send a child inside to an adult on duty for either first aid (which cannot be administered outdoors), or as a consequence. This ensures supervision remains safe outside.
- Children are taught and encouraged to play specific games suitable for the environment and inclusive to all children.

**Bullying**

Our approach to preventing and addressing bullying is outlined fully in our Anti-Bullying Policy

**Pupil Code of Conduct – Golden Rules**
