# Meet the Adults in Your Class

Reception Class is known as  
**Belvoir Class** (pronounced beaver)

**This is Mrs Carlton**

**She is the Belvoir Class Teacher**

**“I can’t wait to meet you – we are going to have lots of fun together.”**

**This is Mrs Ketteringham.**

**She is the Belvoir Class Teaching Assistant**

**“Hello everyone – I hope you’re as excited to come to school as we are to meet you. We’re going to have a great time.”**

# Belvoir Classroom

## Our library and quiet reading area

We can't wait to share some of our books with you. There are lots that we all enjoy reading and listening to.  
What's your favourite book?

## Our snack time area.

You can help yourself to a snack each day and we will encourage you to drink from your own water bottle as much as possible.

When you start full time, you'll love lunchtimes too.

# Belvoir Classroom

A special place for your imagination to run wild!

Our carpet area.

You will have your own carpet place to sit at. This is where you will listen to stories or share ideas with your teachers. When we first start school we'll be using special spots to sit on instead of the rug – I wonder which colour you will sit on?

# Belvoir Class Cloakroom

You will have your very own locker to keep all your things in during the day.

We have our own toilets in Belvoir classroom, they are next to the locker area. Can you see what's on the front of the toilet door? You must be very good at washing your hands now! It's important that when you start school you are able to go to the toilet and keep yourself clean by yourself. Keep practising.

# Belvoir's Outdoor Classroom

Lots of lovely space to explore the world around you. We even have our own Forest School! What do you like to do outdoors? What is your favourite time of year?

# “See you soon!”

Can you remember our names?

Do you know what your name looks like when it is written somewhere?

Ask all your friends and family to write your name somewhere, hide it and see if you can spot it. We wonder if you'll be able to spot your name in Belvoir Classroom when you start with us. Bye for now!
