SUMMER TERM 1 | WEEK 1

with pride and move  
forward with confidence.  
**\*(John 10:10)**

Dear Families,

Welcome back! We hope you had a lovely break and managed to spend some time doing all of things you enjoy. As always, there is a lot happening in school and particularly during the Summer Term!

**Mrs Grant returning:** Next week sees the return of Mrs Grant from Maternity leave; we are looking forward to seeing her. She will be teaching the class on a Wednesday for the next half term during her phased return, to take over full time at the end of the term. Mrs Murray will still be completing the role of SENCO during this time.

**Nursery at Ryhall:** Thank you to those who have completed the survey. I will be in touch over the coming weeks to keep you updated with any news and plans that we have. In the meantime, **please complete the survey if you haven't yet done so and forward on to those that you will be interested.**

**Whole-School London Mini Marathon:** Over the course of the coming two weeks, we will be taking part in the 'School Mini-Marathon' with the aim of running/jogging/walking 2.6miles. We are aiming for a lap of the field a day - some of the children are setting their sights higher and aiming for more than that! We will complete this during the school days as breaks from the classroom in the (hopefully) good weather, and we will give the children a card to keep a tally of their laps of the field (each lap is approximately 320metres.) I have spoken to the children about it today in assembly and many of them took the opportunity at breaktime and lunchtime to practice! The charity affiliated with the London Mini Marathon is the World Wildlife Foundation. We are asking for a voluntary donation of £1 on the 26th April which will be the final day we are allocating to complete; we will receive a trophy for our participation. Thank you in advance.

**Swimming for Year 5:** A letter will be sent to Year 5 today. Please check your email inbox for news around kit and equipment.

**Clubs:** information regarding clubs is overleaf. Clubs begin next week and run for 5 weeks.

**Value for this term:** This term, our value in focus is 'Trust' – please spend some time looking through your values passport to help your child identify a time that they might display, demonstrate or use the value of 'Trust.'

Thank you for your continued support. Have a great weekend.

Mr Reed

# IMPORTANT INFORMATION & REMINDERS

Please update your child's medical information if you haven't already done so <https://forms.office.com/e/svMP9CGdVV>

Swimming for Y5 starts next Friday. Please return your consent form if you have not already done so. Remember to come to school with swimwear on under uniform.

We are a nut free school as we have children who are allergic to nuts. Please remember this when preparing packed lunches or snacks and avoid food containing nuts such as chocolate spread and pesto.

If you need to drive to drop off or collect your child, please park with consideration of resident's drives, garages or access to roads. Please remember that parking on zig-zag lines at any time of the day is prohibited to ensure the safety of the children during the busier periods of the day.

A reminder to families to not use the staff car park when either dropping children to school or collecting them – this is purely for the safety of the children and staff. This does apply to drop off and pick up from Wrap Around Care and clubs.
